

HS-2 The Heil 'Magnum' Hand-Switch PTT

The wizards at Heil bring you the most unique and comfortable hand switch - EVER!

Ergonomically correct, it's shape fits the hand naturally and comfortably, activating just like a pistol trigger.

This is one great product !

HS-2 Features:

- Ergonomic design
- Very light touch trigger switch
- Terminates into a 1/4" phone plug which connects into the Heil [AD-1](#) or [CC-1](#) cables.
- Using a very reliable 15 amp MicroSwitch
- Chrome spring cable grommet (just like your Mom's old iron!)
