

TM-271A

Frontiers are not for the meek. It takes a rugged 4WD vehicle to meet the challenges of the wilderness. And Kenwood's new TM-271A is built just as tough. This compact, MIL-STD-compliant transceiver delivers powerful mobile performance and other welcome features as multiple scan functions and memory names. But on or off the road, you can always enjoy the sophistication of high-quality audio, illuminated keys and a large LCD with adjustable cool-green backlighting for simple operation, day and night.
